FLAME - from the US Steak House Broiler

Seasoned with sea salt and exquisite pepper cuvee and broiled at a very high temperature in our Montague Steakhouse Broiler.

We use US Beef from the Graeter Omaha Packers Co./Nabraska (GOP). The Angus bovine graze in the huge Nebraska fields for 18 months and are fed with additional grain food for at least 150 days. This gives the meat its characteristic marbling which guarantees the intensive taste.
